

Duke and NCCU early voting sites and weekend campus sports events

Durham County voters should be aware that weekend campus sports events in Durham may affect traffic travelling to Duke University and North Carolina Central University's early voting sites.

Duke University

On Saturday, October 20, there is a Duke home football game against Virginia scheduled for 12:30 p.m. Expect heavy traffic across West Campus on this Saturday due to the football game and [Family Weekend activities](#). Voters travelling to the early voting site at the Brodhead Center will have free parking reserved at the Student Wellness parking lot at [107 Union Drive, Durham, NC 27710](#). The main general public route to reach this area of campus will be from Erwin Road to Towerview Road. Traffic coming from other directions may be re-routed on that Saturday, but voters should let traffic control workers that they are going to vote and they will be guided to the voter parking.
