Here are your assigned pollworkers:

Use the task bar to view the precinct officials assigned to work with you on Election Day by clicking the 'My Pollworkers' tab when instructed by the Board of Elections. A contact number and email address are available for each person.

Do NOT update any voter information in this section.

You will use this information to begin contacting each precinct official to review the pre-election meeting and Election Day requirements.

Review the following:

1. Ensure that your direct report is aware that s/he is assigned to work at your precinct and provide the precinct address, start time, and approximate end time.
 - If you are unable to reach an assignee, after two attempts, please contact the Board of Elections immediately.
2. Ensure that your assignee attended required training (Assistants are required to attend "Assistants Training" and Chief Judges and Judges are required to attend "Judges Seminar" and "Judges Equipment" training.). If your assignee has not attended training and needs to attend a makeup session, please have him/her contact the Board of Elections at pollworkers@dconc.gov or 919-560-0697.

3. Inform your assignee of the established time for your pre-election meeting. (The pre-election meeting will be at the time of drop-off unless an alternative time is arranged with the BOE and the site contact.) It is strongly recommended for all precinct officials to attend the pre-election meeting. Attendance is not required but compensation will be provided for attending.
4. Be sure to also provide your assignee with details related to what s/he should bring to the polling place (ex. food, drinks, medications, jacket, business casual attire).
5. Provide your contact information incase your assignee has questions.
